PROFILE

Perkenalkan Nama lengkap saya Dustin Raynold Sirait, nama panggilan saya Raynold. keseharian saya belajar dan bekerja di depan computer untuk mengembangkan ilmu pengetahuan tentang Teknologi informatika, dan bekerja mendesain brosur, logo, membangun website, dan membuat program untuk sebuah aplikasi. Saya sudah menggeluti dunia programing dan desain sejak tahun 2018.

EXPERIENCE

2019 - DEVELOPING
THE SCHOOL
WEBSITE.

UX/UI DESIGNER

Building a school website that I once made for my own school, building a website that I used using HTML, CSS, and Java Script. I built a website where there was a project that my teacher had given me to train myself to become a programmer.

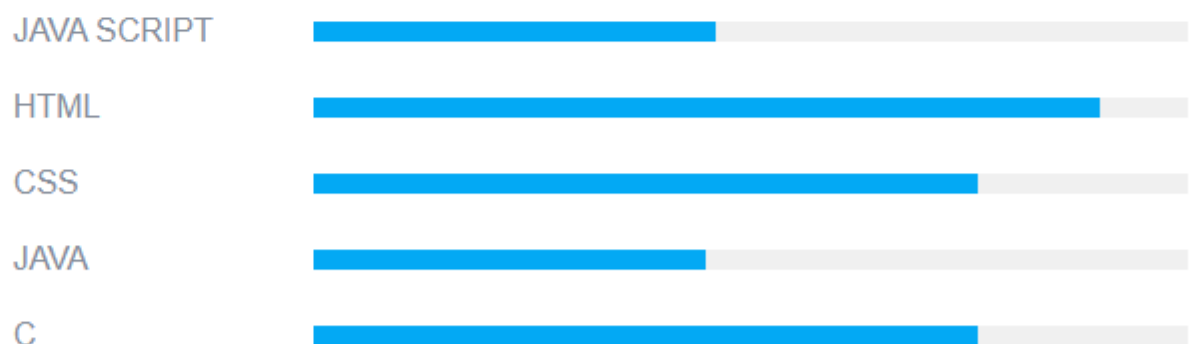

2020 - DEVELOPING
CALCULATOR

CALCULATOR APPLICATION DEVELOPMENT

Developing a calculator application that uses algorithmic logic that I created using various programming languages, C, Java and Python.
